The Little Brown Jug is part of a small group of pubs. All the pubs have the same goals, we want to create places where people can come for every occasion or just a bite to eat or a few drinks with friends. The food will be great, we are proud of our beers and wines.

We only use quality ingredients, we have our beef hung for over 21 days, our fish is purchased daily with recommendations from our fishmonger and the vegetables are grown locally or sourced from Covent Garden. We are very proud of our pubs and hope you are too.
